

The Newest Wireless Technology for Your Real Time Transcripts

**The
OVERNITE**
Court Reporting Service
P.O. Box 2808, Silver Spring, MD 20915-2808

Serving Washington, DC,
Maryland and Northern Virginia

*See Your
Transcript as
You Speak it.*

*In Real Time.
LIVE!*

The Overnite Court Reporting Service is now offering—for the first time in the DC metropolitan area—real time transcripts with no strings attached! It's all wireless.

No need to purchase LiveNote software or pay for a token each time you connect.

For a free demo, or to learn more about this extraordinary service, call **301-593-0671** or email us at RealtimeReporter@Comcast.net

FAX 301-593-8353 • www.DCCourtReporters.com

- Use your internet browser to get immediate access to your real time transcript. (As well as your colleagues in an adjacent room).
- Connecting is as simple as typing our web address in the address bar of Internet Explorer and clicking “Go.” That’s it. You don’t have to plug in a cable or know what the COM port or baud rate is or have any special software besides your internet browser.
- Automatic refresh feature keeps you instantly up-to-date
- Edited transcript delivered overnight
- Use this cutting edge technology to WIN your case!
